PRODUCT FEATURES

- DR. PAINT makes highly visible, opaque, rain and fade resistant marks on glass, metals, plastics, ceramics, canvas, posters etc.
- A cost-effective way to promote sales and advertising products, DR. PAINT is ideal for auto dealers, auctions, restaurants, shops, artists, sport fans, and has many hobbies and crafts applications.
- Removes from glass using ammonia-based cleaners such as Windex® and 409®***. Perfect for signs, posters, banners, and canvases.
- Available with Label Guard™ Antimicrobial Label Coating.
- Made in USA.

***Windex® is a Register Trademark of S.C. Johnson. Formula 409® is a Registered Trademark of The Clorox Company.

TYPICAL USES

- Removable yet water resistant marking of glass windows (autos, shops, etc.).
- Permanent marking on canvas, posters, wood, plastic signs, stone, rubber and more.
- Perfect for Auto Dealers, Restaurants/Shops, Sport Fans, Crafts and Hobby, Artists, and more.

SAFETY INFORMATION

- Read SDS before using (available online at www.umarkers.com).
- Conforms to ASTM D4236.
- Keep out of reach of children. For professional use only.

Product Specification Sheet

Rev. 2-AUG-2023

IMPORTANT INFORMATION

- Always read product directions and test surfaces for removability before use.
- The technical information and data provided in this PSS should be considered typical and, should not be used as a specification. Applications may vary, therefore, testing is recommended before use. Our Technical Department will be happy to work with you and help you select the best.
